This chapter teaches us about the spontaneous but wisdom-readiness of the inner child. We are forever nurtured, encouraged, grounded, confidant and of course, loved. This loving support is infinitively available to us when we live with the knowing, "A cheerful heart has a continual feast" ~ *Book of Proverbs*.

Just like a child, in the cheerfulness of rejoicing, we will remain open and thus, we receive kindness, flashes of genius, healing, acceptance, understanding and enhanced communicative abilities, plus, the intuition to make the appropriate decisions to advance one's talents and skills. Please read how to create JOY on page 158 and discover the blessings.

Re*Joice in your life and Embrace each of your mis-"takes" as limitations serve us.
