

# THE HOME WHISPERER *Environmental Healer*

"When we are in alignment with our purpose, the universe will roll at our feet." -Kafka

## RE\*MARKABLE

As it states in the Elemental Persuasion chapter (page 80), "Everything in the Universe is a pitcher brimming with wisdom and beauty." - Rumi. With these attributes, a life is certain to be overflowing with lasting happiness, sustainability, harmony and of course, contentment.

Your home is the pitcher and the five elements empower us to be endowed with wisdom and beauty. Together and separately, these elements support and enrich us. Instead of swimming upstream, we can at long last flow with the current.

Re\*markably, mastering this chapter and implementing its ancient knowledge, mystically matures the student into a scholar.
